- For animal use only
- Not for use on animals intended for consumption
- Do not use in the eyes or nose

- Not for prolonged use
- Do not apply to large areas of the body
- Do not use where infection (pus) is present, since the drug may allow infection to be spread
- If redness, irritation, or swelling persists or increases, discontinue use and consult your veterinarian
- Apply lotion directly to affected skin areas
- Do not use more than 3-4 times daily
